Our next meeting is Tuesday, August 27th at noon at the Out o Town Club in Kaukauna. Our guest presenters will be Emergency Management Directors Travis Waack from Manitowoc and Lisa Van Schyndel from Outagamie County. The topic will be a discussion of the emergency management plans in place in their counties. They both had a schedule conflict with our regular third Tuesday meeting date so we are moving it by one week to the 27th.

Chairman's Corner

Hello all.

Hope you are finding some time to relax this summer, though I know most of you are busier than ever. Seems like much of our work gets concentrated in these good weather months. And please consider buying some gas cards from our Chapter for your summer travel – a portion of the sales goes to support our Chapter 80 educational efforts.

A couple of other things should be on your radar. Please note that this month's local Chapter 80 meeting was rescheduled due to availability issues with our speakers. A lot of people were looking forward to this meeting and program, so when the speakers' availability changed, we decided to move the meeting. We are sorry for the inconvenience but I think it will be worth it.

Also – Broadcast Clinic is less than 2 months away now. Make plans now to attend – looks to be a great event again this year. <https://www.wi-broadcasters.org/events/broadcasters-clinic/>

Remember to vote in the National SBE Elections if you have not done so already. Our local elections will be coming up very soon as well so consider seeking a post if you are interested.

Hope to see you all at the August meeting.

Steve Brown

Chairman, Chapter 80

National SBE News

1. The annual election of SBE national officers and directors is under way and all voting members are encouraged to take part. Each voting member received an email on July 26 with a unique link to their ballot. Those opting out of electronic voting received their ballots in the mail. **All e-ballots must be submitted electronically, and paper ballots are to be sent by mail or hand delivered, no later than 4:30 pm EDT on Wednesday, August 28.** There is one candidate for each of the four officer positions and ten candidates running for six director seats being contested this year.

2. Jeff Welton of Nautel will present "50 Tips for the Broadcast Technical Professional" on **Thursday, August 22 at 2 pm EDT.** It's the next SBE webinar. Welton, with almost 30 years of experience under his belt, has seen a few things and will share some of the challenges he encounters most often. He will provide tips from the areas of grounding and lightning protection, safety, IT security and whatever else comes to mind, so there should be a bit of something for everyone in this fast-paced presentation. The webinar is free to SBE MemberPlus members; \$59 for traditional members and \$89 for non-members.
