Next Meeting is Tuesday, December 14th

The December SBE meeting is coming up this week. We agreed to move it up one week to give all members a better chance of being able to make the meeting before the Christmas pace of life really picks up. The meeting will be at the normal time of day, noon. But we moved it up to this Tuesday December 14th. Still online or, in person at the Out O' Town Club.

Chairman's Corner

I would like to start with a quick thank you. On behalf of the other chapter officers thank you for the opportunity to continue to be an officer of Chapter 80.

The officers for 2021 will continue to be:

A Quick Reminder From the SBE

There is one item that the national website is really pushing this month. So I wanted to make sure I included it in my newsletter contribution. The FCC changed the way the linking to station online public files are written. Whether this is something to pass on to your station's webmaster, or if it is you, this one is worth a quick look.

Here are a few things for the Chapter 80 newsletter from Mark Hoenecke from the WECB:

· IT Manager job opening at ECB in Madison:
