Our next meeting is Tuesday April 20th at noon via Microsoft Teams. Program is TBD.

Chairman's Corner:

As I sit here writing the corner for this month, I can hear the birds outside. They sound like most station owners, "Cheap, cheap, cheap". Keeping stations running smoothly and as cheaply as possible is one of our greatest obstacles in our field. Yet we keep the stations on air. We do so by staying on the top of our field and informed of the latest changes. The SBE can help you in so many ways. Below are just a few.

SBE Leadership Development Course

The 2021 SBE Leadership Development Course is scheduled for June 8-10 in Atlanta, to be held again at the Hyatt Place Atlanta South. The 2020 LDC was canceled due to the pandemic. Rodney Vandever, a professor of organizational leadership and supervision at Purdue University presents the 2021 course. As Rodney plans his retirement, this will be the last course he teaches, so don't miss the opportunity to learn from Rodney. You need to register for the course today to ensure you have spot in the class, and that we have enough attendees. If the class is canceled because of COVID-19 or not enough registrants, your class registration fee will be refunded.

Annual SBE Compensation Survey

Online now and active through May 17, the independent survey provides a look at the salaries and benefits earned by those in our industry. Results are categorized by radio and television, market size and job titles, and provide useful information to individuals and employers. All survey responses are anonymous. Survey results will be made available in July for free to all SBE members.

SBE Certification Exams

Although the latest window to take the exams just closed, another has already opened. Submit your SBE certification exam application to the national office by the dates listed below. For more information about SBE Certification, see your chapter certification chair or contact Megan Clappe, Certification Director at the SBE National Office at (317) 846-9000 or mclappe@sbe.org.

Membership Drive

Last is to the reminder that the time is great to sponsor a new Member, Associate Member or Sustaining Member between March 1 and May 31, 2021, and you will be eligible for the prize drawings. For each approved new member application you sponsor you will earn \$5 off your 2022 membership dues, up to \$25. If you recruit three or more Regular or Associate Members, or one Sustaining Member, you will also receive an upgrade to SBE MemberPlus for the remainder of the 2021 membership period. (If you already hold SBE MemberPlus, the benefit will be added for 2022.)

Each new member application may have only one sponsor. Applications must be received at the SBE National Office between March 1 and May 31, 2021, to be eligible. Next Meeting This Tuesday Looking forward to our next SBE meeting. Our program fell through so, as of now, we do not have a program for April. But John is continuing to see if he can find someone. Plus, the 2nd test at the Out O' Town Club will still be happening too. I'm looking forward to getting together in person soon enough. Until then, John has generously allowed us to use his corporate Teams account. To join the info is shown here. See you Tuesday.
